

**In Conjunction with  
Salt Lake City Interfaith Roundtable  
Interfaith Month**

**Tour and Discussion of LEED Silver Certified  
LDS Chapel in Farmington**

Utah Interfaith Power and Light ([www.utahipl.org](http://www.utahipl.org)) invites you to attend a presentation and tour of the LDS Farmington Chapel built according to LEED standards. This building and tour will show all in attendance how to build churches in harmony with the Earth, God's greatest creation. Mr. Jared Doxey from the LDS Church Architecture Department will host the tour and review the success of the energy savings over the past year, followed by a Q&A.
