

## PROCLAMATION

*Whereas*, the Salt Lake Interfaith Roundtable was formed in 2002 to support the Salt Lake 2002 Olympic Winter Games and offer spiritual service for the greater global community and interfaith dialogue; and

*Whereas*, this work of interfaith dialogue and collaboration continues, by maintaining the Olympic legacy of respect for cultural diversity, human potential, goodwill and world peace in order to promote harmony and understanding among people of all faiths, beliefs and cultures; and

*Whereas*, because there is a need for greater understanding between different beliefs and faith traditions, we join in the spirit of collaboration and respect, in celebration with others in our community to envision an annual month dedicated to fostering appreciation for the diverse faiths and beliefs in Utah.

*Now, Therefore, I, Peter M. Corroon, Mayor of Salt Lake County, do hereby declare the month of February, 2012, as*

*"Interfaith Month"
