Gems of Light from Islam!

In this season of light and miracles, we are thrilled to welcome as our special guest Davron Mukhabbatov!

Davron Mukhabbatov serves as the Director of Intrafaith at the Emerald Hills Institute, where he has been actively engaged in community service for the past five years. In addition to his volunteer leadership, Davron works in the IT field at a software company.

Originally drawn to Utah's natural beauty, Davron enjoys spending his free time hiking and biking. He is a proud father of two young children and values opportunities to meet people from diverse backgrounds. His passion for building understanding across communities is reflected in his active participation in interfaith dialogue.

*All are invited to join us for this enlightening evening with house band **Desert Wind**, Rabbi Alan Scott Bachman, Rebbetzin Andalin Shekhinah, and Livestream by Raj!*

♥ *FREE Vegan & Veggie Pizza will be served at our Kiddush Reception.*
